**Have you ever wished you could wave a magic wand
and have your fat disappear?**

Slender Wave Cavi-Lipo is that Magic Wand!

Cavi-Lipo is one of most effective body sculpting treatments in the world. It's finally FDA approved and available in the USA! **No pain or discomfort, no down time, just amazing results!**

Slender Wave Cavi-Lipo uses ultrasound cavitation to breakdown, liquefy and emulsify fat cells through vibration. The liquefied fat is naturally metabolized through the lymphatic system.

Treatments are customizable for your unique needs.

Testimonials

Jenny B. • *Posted on Yelp*

“ Monica and her ultrasonic cavitation device work!! ...I am so glad I tried cavi lipo! It's awesome, non invasive and definitely works!!! With each session my trouble areas are whittling down and I couldn't be happier!!! ”

Steve C. • *Posted on Yelp*

“ Monica is extraordinarily good at what she does - In one session, I lost almost one inch off of my stomach (measuring right at the belly button)! There was absolutely no discomfort... and Monica is charming and fun to talk to during the whole session. ”
